

# CELEBRATE URBAN BIRDS

Participate in scientific research while learning about local and migrant birds! Celebrate Urban Birds is a citizen science project developed and launched by the Cornell Lab of Ornithology, focused on better understanding the value of green spaces for birds while connecting people of all backgrounds with the natural world.

Meet at WCSC, then we'll head out to Meridian Park to do our research.

Facilitated by Victoria Dzenis, WCSC Program Manager.

**Thursday, September 19, 10—11 am**

*Free. Advance registration appreciated.*
