

MIX & MATCH ART SERIES: PASTELS

Facilitated by Cynthia Payne, WCSC Member and Artist

In one whirlwind afternoon of experimentation and fun, experience the soft velvety texture and delicate richness of soft pastels and compare that to the bright highly saturated colors, buttery feel and smooth application of oil pastels. Join us as we experiment and compare and contrast these two types of pastels in one afternoon. You will learn a few basic techniques using these two fabulous mediums and then create a small artwork using each material. Find out which type of pastel resonates most for you. All supplies are provided. Join us in this creative and supportive environment for a fun filled afternoon, be prepared to get messy.
