

# SOCIAL JUSTICE TED TALKS VIDEOS

*Discussions facilitated by Diversity & Inclusion Committee Members: Vicki Nino-Osby, Lanie Riley, Denise Malm & Ty Nolan*

**January 9— Let's End Ageism:** "Let's End Ageism" -- It's not the passage of time that makes it so hard to get older. It's ageism, a prejudice that pits us against our future selves -- and each other. Ashton Applewhite urges us to dismantle the dread and mobilize against the last socially acceptable prejudice. "Aging is not a problem to be fixed or a disease to be cured".

**February 13— What Do You Do When Someone Doesn't Like You? :** What do you do when someone just doesn't like you? I mean really, really not like you. And you know it. What would you do? Daryl Davis is no stranger to this experience and has chosen a unique, and often viewed controversial, approach to such ponderings. Daryl endeavors to improve race relations and does not shy away from "reaching across the aisle" to members of the KKK.

**March 13— Through the Eyes of a Child Immigrant:** Erik Gomez, who crossed the border from Mexico with his family when he was five, walks us through his life as an illegal immigrant chasing the American dream. Through his story we are able to look at the contentious debate surrounding immigration through a different lens. Morales leaves us with several questions that could change the way we think and talk about immigrants.
